## Shoreline Master Program Update

### Draft SMP Ready for Review

A draft of Renton's updated Shoreline Master Plan (SMP) is now available for review. This includes both proposed shoreline policies and regulations. In early August also check the project website for other documents supporting the proposed SMP, including the final Shoreline Inventory and Analysis (reviewed earlier this year) and a preliminary Cumulative Impact Analysis, which examines the collective effects of the proposed SMP on the shoreline.

### Comments

**Comments on the draft SMP are due by September 11, 2009.** Written comments may be sent to the project manager by post or email. Verbal and written comments are accepted at every Planning Commission workshop.

### Did you know?

All the review documents are available on the project website. You can receive an email each time the shoreline page is updated by clicking on the "subscribe to page" icon located at the bottom of the main page.

### Upcoming Meetings

The following Planning Commission workshops take place at 6:00 p.m. in the Council Chambers of City Hall.

**August 12, 2009; August 19, 2009;  
September 9, 2009; September 23, 2009**

### Project Timeline

This project began over a year ago and several milestones have been completed including establishing a public participation plan and conducting the inventory and analysis. During the current phase shoreline policies and regulations will be reviewed, with the goal of adoption by the end of 2009. Highlights of this process include:

- Preliminary review of the draft SMP (comments due September 11<sup>th</sup>)
- Revision of the draft SMP based on comments (fall 2009)
- Public Hearing on revised SMP draft (fall 2009)
- Environmental review of proposed SMP- both cumulative impact and review under the State Environmental Policy Act (fall 2009)
